|-------------------------|--|
| MEETING NAME: | City Council |
| MEETING DATE: | February 2, 2026 |
| ITEM TITLE: | 2025 Wolfforth Police Department Racial Profiling Report |
| STAFF INITIATOR: | Patrick Austin, Chief of Police |

BACKGROUND:

Annually, the Wolfforth Police Department is required to submit a racial profiling report to the Texas Commission on Law Enforcement (TCOLE) and City Council. The 2025 Racial Profiling Report is comprised of incident-based data from January 1, 2025, to December 31, 2025. The incident-based data contained in the report is only collected from individuals operating motor vehicles during traffic stops. The Wolfforth Police Department conducted a comprehensive analysis of the data contained in the report and did not find any incomplete data or data anomalies. The data appeared to be consistent with previous years and did not result in any concerns.
