

AGENDA ITEM COMMENTARY

MEETING NAME:	Economic Development Corporation
MEETING DATE:	September 2, 2025
ITEM TITLE:	Consider and take appropriate action alternate board member position.
STAFF INITIATOR:	Danielle Sweat-EDC Director

BACKGROUND:

The Wolfforth EDC bylaws allow for up to two alternate board positions. At this time, one of those positions is held by Tyler Zalmanzig. I am recommending Ryan Smith to be considered for the second alternate position. Mr. Smith owns multiple tracts of land within the City's ETJ, including property that will be impacted by the future alignment of Loop 88. He has expressed a strong interest in Wolfforth's continued growth and is eager to serve the community through participation on the EDC board.
