

Brookmeadow Street Designation Sign Proposal for Recommendation to Move

- The street designation sign for Brookmeadow at RR12 is set back off the corner of the road and placed on the speed limit sign.
- This is NOT typical nor appropriate placement.
- It is causing issues for the businesses located in that area. They have requested this move.

Information for placement of road name signs:

- In residential areas, at least one Street Name sign should be mounted at each intersection.
- Signs naming both streets should be installed at each intersection.
- They should be mounted with their faces parallel to the streets they name.
- Street Name signs may also be placed above a regulatory or STOP or YIELD sign with no required vertical separation.
