

Report on Item #5:

In the Meeting Packet, is the existing Ordinance regarding Excavations and Street Cuttings in the City of Woodcreek.

The only specific reference to **boring** under the City Streets is: Pg. 23 - §92.08 (D),
with the depth specified: Pg. 23 - §92.08 (A)

It was previously mentioned by the former City Manager, Kevin Rule, that the Engineer may be needed to provide a specified width of a road repair, post city-wide paving, if a City Street absolutely needs to be cut.

References to repair requirements stating “as good or better condition than existed before the work” can be found on:

Pg. 10 – §92.03 (B)

Pg. 17 – §92.05 (B)(1)

Pg. 19 – §92.07 (B) and (C)

Pg. 19 - §92.07 (I)(2)

Pg. 20 - §92.07 (E)(2)

Offenses occurring under this Ordinance are \$500 per day. (Pg. 19 - §92.99(A))
