

Parking (§70:IV)

- Parking in the street, even partially, is prohibited. Vehicles parked parallel to the street must have all wheels off the pavement.
- “Junked vehicles” are prohibited, these are defined as without valid license plate and inspection, wrecked, dismantled, partially dismantled, and has remained inoperable for 30 consecutive days on private property.
- Temporary parking of buses, commercial vehicles, trailers, boats, motor homes, RVs, campers, jet skis is permitted. Temporary is defined as no more than seven 24-hour periods total in any 30-day period. Long-term parking of these items inside fully enclosed garages or behind fencing on a durable surface is permitted.
- A long-term parking permit may be obtained from the city for work and commercial vehicles, except for those meant to hold human excrement.

Garage Sales (§156.060)

- Garage or yard sales at any location must be separated by a minimum of 6 months and last no more than 3 days. The annual city-wide community garage sale does NOT count in this specification.
- Street signs for a garage or yard sale must follow the sign ordinances: 152.43 (P) and 152.26 (C)
- Auctions require a special event permit and must be held by a licensed auctioneer.

Tree-Trimming or Pruning and Oak Wilt (§91)

- Trimming of oak trees is prohibited from February 1 to July 1st.
- A no-cost permit is required for ANY tree trimming or removal.
- Some trees have “Protected” and “Heritage” status. It is important you are in contact with the City PRIOR to any tree work to be sure of the status of your trees. There are significant fines involved for violation of the Tree Ordinance.
- When trimming oak trees, ALL live cuts MUST be painted to prevent the spread of Oak Wilt.
- Citizens MUST report suspected or confirmed cases of Oak Wilt.
