

Council Meeting Date: Regular City Council Meeting January 12, 2022

Agenda Item 15 Cover Sheet

Agenda Item Subject/Title:

Discuss and Take Appropriate Action on Compiling the Locations and Conditions of Fire Hydrants in the City of Woodcreek (Grummert)

Agenda Item Summary:

The goal is to have the city inform its citizens of the different locations of fire hydrants in the city and their current conditions for use, in case of an emergency. And then discuss the ways or solutions the city can take to keep our residents safe.

Financial Impact:

unsure, minimal at this stage of creating a map/report

Recommendations:

instruct staff or other group to compile and assess the fire hydrants in the city of Woodcreek and report back to city council with their findings.

Submitted by: Councilmember Grummert
