

**Council Meeting Date:
Regular City Council Meeting October 12, 2022**

Agenda Item Cover Sheet

Agenda Item Subject/Title:

Discuss and Take Appropriate Action on Sharing Costs on Safety Improvements on the Path Between Woodcreek and Mountain Crest at the Northern Intersection of Brookhollow and Augusta Drives, With Woodcreek's Share Not to Exceed \$600.00.

Agenda Item Summary:

Mountain Crest has the deed to the entire path, which has become quite dangerous due to erosion and useage. Although deeded to the Mountain Crest POA, half of the path is in the city and used by our citizens walking or riding to Mountain Crest where there is less traffic, or simply to see friends. Their resident use the path to walk in Woodcreek, and some golfers use it to play here. Sharing the costs of repairs is neighborly, and also protects the safety of our residents who use the path.

Financial Impact:

Up to \$600 from Road Maintenance or other appropriate fund

Recommendations:

Approve the \$600 expenditure

Supporting Documents Included:

Expense Spreadsheet for Path Repairs

Submitted by: Mayor Jeff Rasco
