1. Do you or your employer have any _____ which may present a conflict of interest? No If "Yes", please explain: Yes No

Do you own or are you employed by a business or lodging facility in Woodcreek or the Woodcreek ETJ? Yes No If "Yes", please list facility(ies) and how long you've owned or worked with them.

3. I was a member of the Woodcreek Council for three terms beginning in 2016. As a volunteer with the Chamber or Commerce when the City of Wimberley attempted to pass a HOT for the first time, I became familiar with the requirements for HOT, as well as the issues around its implementation. The City of Wimberley did not pass HOT at this time, but regrouped and presented it again with success. This experience showed me the issues that may arise and how to handle them proactively and in a positive manner. I was also Chair and Co-Chair for the 2022 Comprehensive Plan for the City of Woodcreek and responsible for the Fiscal Systems portion of the plan which includes recommendations for the City to seek additional revenues. HOT may be used by the City to increase its profile as the home of the Double J Ranch Golf Course and attract visitors for golf tournaments. The lodging facilities in the ETJ would benefit from these travelers.
