• **§ 95.06 - INVESTIGATIONS AND NOTICE OF VIOLATIONS.**

(A) The Code Officer, on his or her own knowledge or on the basis of a complaint by a resident or property owner of the City, shall investigate alleged violations of this chapter.

(B) The Code Officer may enter upon any lot where a violation of this chapter is alleged to have occurred, at any reasonable time, in order to examine the alleged violation outside a private residence.

(C) The Code Officer may enter and inspect a private residence where a violation of this chapter is alleged to have occurred, at any reasonable time, in order to examine the alleged violation and to remove or direct removal of the same, if necessary, pursuant to Tex. Health and Safety Code § 161.011, upon receiving:

(1) Permission obtained from a lawful adult occupant of the residence; or

(2) An authorization to inspect the residence for a specific public health purpose by a magistrate or by an order of a court of competent jurisdiction on a showing of a probable violation of this chapter.

(D) If the Code Officer determines there is a violation of this chapter, the Officer shall give notice in writing to such persons violating the provisions of the chapter. The notice will inform the person that he or she has seven days from receipt of the notice to remedy the violation and, if this action is not taken, the City may, but is not obligated to:

(1) Authorize that the necessary work be done or improvements made; and/or

(2) Pay for the expenses incurred in having the work done or improvements made and bill the expenses to the property owner.

(E) The notice of a violation must be given to the owner personally in writing, either at the time of inspection by personal delivery, by posting the notice on or near the front door of each building, or by certified mail, addressed to the owner of the property at the owner's address as recorded in the County Central Appraisal District, as may be appropriate. If notice by personal service cannot be obtained, the Officer may give notice by:

- (1) Publication of the notice, at least once, in a newspaper of general circulation;
- (2) Posting the notice on or near the front door of each building on the property to which the violation relates; or
- (3) Posting the notice on a placard attached to a stake driven into the ground on the property to which the violation relates.

(F) If such person fails or refuses to comply with the provisions of this chapter within seven days after the receipt of notice, the City may go upon such property and do or cause to be done the work necessary to obtain compliance with this chapter.

(G) The City, in the notice of violation, may inform the owner that if the owner commits another violation of the same kind or nature that poses a danger to the public health and safety on or before the first anniversary of the date of the notice, the City without further notice may correct the violation at the owner's expense and assess the expense against the property. If a violation occurs within the one-year period, and the City has not been informed in writing by the owner of an ownership change, the City without notice may take action to remedy the violation.

(H) The City may abate, without notice, dangerous vegetation.

(I) If the City incurs expenses for the work done or improvements made, the City Council or its designee shall assess the expenses and create a lien, including possible foreclosure, against the property as follows.

The expenses to be charged shall include: the amount paid by the City for the work done or improvements made; the costs of inspection; the costs of providing notice; the costs of identifying and notifying the owner of the property; and any incidental expenses.

(2) If the person does not pay the expenses within 60 days after receiving a statement of charges, the Mayor, or his or her designee, shall file with the County Clerk a statement of expenses, stating the owner's name, if known, and the legal description of the property. When such statement is filed, the City shall have a privileged lien on such property, second only to tax liens and liens for street improvements, to secure the payment of the amount so expended. For such expenditures and interest, suit may be instituted and recovery and foreclosure had by the City. The statement of expense filed with the County Clerk or a certified copy thereof shall be prima facie proof of the amount expended in such work, improvement or correction of the property. The lien is security for the expenses incurred by the City and interest accruing at the rate of 10 percent per year on the amount due from the date of payment by the City.

(Ord. 09-122, 6-10-2009)

- **§ 95.99 - PENALTY.**

(A) The City shall have the power to administer and enforce the provisions of this chapter as may be required by governing law. Any person violating any provisions of this chapter is subject to suit for injunctive relief as well as prosecution for criminal violations. Any violation of this chapter is hereby declared to be a nuisance.

(B) Any person violating any provision of this chapter shall be subject to a fine upon conviction in Municipal Court or another court of competent jurisdiction, of not more than \$2,000.00, and each day of violation of this chapter shall constitute a separate offense. An offense under this chapter is a misdemeanor.

(C) (1) A person does not commit an offense under this chapter unless he or she intentionally, knowingly, recklessly or with criminal negligence engages in conduct as the definition of the offense requires.

(2) Culpable mental states are classified according to relative degrees, from highest to lowest and as described as follows.

(a) *Intentional.* A person acts intentionally, or with intent, with respect to the nature of his or her conduct or to a result of his or her conduct when it is his or her conscious objective or desire to engage in the conduct or cause the result.

(b) *Knowing.* A person acts knowingly, or with knowledge, with respect to the nature of his or her conduct or to circumstances surrounding his or her conduct when he or she is aware of the nature of his or her conduct or that the circumstances exist. A person acts knowingly, or with knowledge, with respect to a result of his or her conduct, when he or she is aware that his or her conduct is reasonably certain to cause the result.

(c) *Reckless.* A person acts recklessly, or is reckless, with respect to circumstances surrounding his or her conduct or the result of his or her conduct when he or she is aware of, but consciously disregards a substantial and unjustifiable risk that the circumstances exist or the result will occur. The risk must be of such a nature and degree that its disregard constitutes a gross deviation from the standard of care that an ordinary person would exercise under all the circumstances as viewed from the actor's standpoint.

(d) *Criminal negligence.* A person acts with criminal negligence, or is criminally negligent, with respect to circumstances surrounding his or her conduct or the result of his or her conduct when he or she ought to be aware of a substantial and unjustifiable risk that the circumstances exist or the result will occur. The risk must be of such a nature and degree that the failure to perceive it constitutes a gross deviation from the standard of care that an ordinary person would exercise under all the circumstances as viewed from the actor's standpoint.

(D) Nothing in this chapter shall be construed as a waiver of the City's right to bring a civil action to enforce the provisions of this chapter, and to seek remedies as allowed by law, including, but not limited to, the following;

(1) Injunctive relief to prevent specific conduct that violates the chapter or to require specific conduct that is necessary for compliance with the chapter;

(2) A civil penalty up to \$1,000.00 per day, with each day constituting a separate offense when it is shown that the defendant was actually notified of the provisions of the chapter and after receiving notice committed acts in violation of the chapter or failed to take action necessary for compliance with the chapter; and

(3) Other available relief.
