Att: Alicia Schultz-Deputy Village Clerk

**RE: 6 Terrace Road  
Suffern, NY**

Dear Alicia:

The New York State Department of Transportation (NYSDOT) has received a General Municipal Law Review Referral Form for the above subject project and has conducted a review of the information received. NYSDOT does not anticipate direct impacts to the State's highway system associated with the subject project at this time.

A Highway Work Permit (HWP) is required for any work within the State Highway Right-of-Way. If future work is proposed within the State Highway Right-of-Way as part of this project, the applicant is encouraged to review the permit process and all required HWP forms on the NYSDOT website: <https://www.dot.ny.gov/divisions/operating/oom/transportation-systems/traffic-operations-section/highway-permits>.

We appreciate the Town's effort in involving the NYSDOT in the review process.

Thank you and if you have any questions, please contact me at: 845-634-4661;
