OWNER: Springwell Parkway Associates

APPLICANT: Josh Gardner

The applicant is requesting a Special Use Permit (SUP) on 0.7866 acres located at 3008 W. FM 544, Lot 1R-3-1, Block B of Jacobs Addition, for a restaurant with drive-through service as required by the Zoning Ordinance.

The request includes a new 2,858 square foot structure for a Bojangles restaurant. The structure is planned to have an exterior that consists of brick veneer and hardie plank siding. Canopies are also provided at the main entrance and drive-through windows.

The development is to be accessed from FM 544 and Regency Drive and provides cross access to the west and south properties with a connection to Springwell Parkway. The development provides 20 parking spaces with two being ADA accessible and is in compliance with fire lane requirements.

The site provides 30% landscaping with a 10-foot landscaped buffer and sidewalks along FM 544 and Regency Drive.

The surrounding properties are zoned Commercial Corridor and have existing commercial uses such as restaurant, and car sales. There are three drive-thru restaurants within ½ mile (Dutch Bros, Freddy's, and Golden Chick). The site is located in the Regional Commercial sector of the future land use map and is consistent with the existing surrounding development and land use classification of the comprehensive plan.

The applicant has requested the SUP approval to act as the Site Plan approval for the development. The proposed site plan, landscape plan, and elevations have been reviewed by City staff and meet the requirements of the Zoning Ordinance.
