FISCAL YEAR 2023 ACCOMPLISHMENTS

Notable facility improvements: added a concrete patio outside of the meeting room to enhance rentals, special events, and activities. Repaired the original (2010) mechanical lifts on the basketball goals that had recently become hazardous. A/V upgrade in the aerobic studio. Upgraded the A/V in the meeting room to encourage rental revenue.
Strategic Goal: Health, Safety, and Well-Being

Regained program momentum lost due to COVID-19. Summer Kick-Off attendance was at an all-time high of 3,078 participants. The Rec Center general attendance in May was the second highest on record at 34,310 (slightly lower than 2019: 34,947). Additional Christmas events were offered and all met maximum capacity. Several programs had waitlists.
Strategic Goal: Community Focused Government

Continued to upgrade fitness equipment.
Strategic Goal: Health, Safety, and Well-Being

Finances and marketing: Regular registered activity user fees were adjusted to recover costs. Printed pass/no pass rates in the Activity Menu for each activity rather than stating this as a general discount, switched from percentage discounts to flat rates, and increased the no pass rate to encourage pass sales. Secured multiple sponsorships to offset costs associated with Summer Kick-Off (this offering is subsidized by the 4B fund). Increased Rec Pass user fees, set fees to encourage the sale of auto-renew passes, added a teen pass, included childcare with all passes, and added virtual fitness classes to passes.
Strategic Goal: Community Focused Government

Met maximum activity programming capacity in the facility while preserving adequate open play times and offerings for pass holders.
Strategic Goal: Community Focused Government

The videos, available on social media, provide the City Council, upper management, and the Parks and Recreation Board with talking points.
Strategic Goal: Community Focused Government

Strategic Goal: Health, Safety, and Well-Being
