AGENDA REPORT

Department: Operations
Prepared By: Shane Colley

Account Code: 100-5132-54910

Subject

Consider, and act upon, the approval of the purchase of automated ADA compliant sliding glass doors from Door Control Services, a DH Pace Company, in the estimated amount of \$123,475.00 through a cooperative purchasing contract with Buyboard and authorizing the City Manager to execute any and all necessary documents.

Recommendation

Motion to approve the Item as presented.

Discussion

The Operations Department is planning to purchase automated ADA compliant sliding doors for Wylie City Hall, Wylie Recreation Center, and Smith Public Library. This will include removal and replacement of main entrance and interior vestibule doors at all three buildings.

The Operations Department has serviced and maintained the existing ADA operators at these locations. The current operators have failed repeatedly and are no longer functioning. Operations received quotes for replacement of existing equipment as well as retrofitting with sliding glass doors.

Staff recommends the purchase of automated ADA compliant sliding glass doors in the estimated amount of \$123,475.00 through a cooperative purchasing contract with Buyboard through Door Control Services, a DH Pace Company. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
