

# Wylie City Council

---

## AGENDA REPORT

Department: Purchasing  
Prepared By: Christopher Rodriguez

Account Code: 620-5730-58410

### Subject

Consider, and act upon, the award of agreement #W2026-60 to Fuquay, Inc. for repairs and rehabilitation of 480 feet of the 21-inch sewer main, in the estimated amount of \$190,140.00, through a cooperative purchasing contract with Buyboard and authorizing the City Manager to execute any and all necessary documents.

### Recommendation

Motion to approve the Item as presented.

### Discussion

This agenda item will cover the rehabilitation of 480 feet of sewer trunk line located southwest of Collin College using Cured in Place Pipe (CIPP) technology. This project aims to enhance the integrity of the trunk line, continuing efforts from the 2024 pipe replacement project. The CIPP rehabilitation will ensure long-term functionality while preventing potential failure. Sewer services will remain uninterrupted during the process, with the contractor managing all necessary bypass operations.

Staff recommends approving agreement #W2026-60 to Fuquay Inc. for an estimated amount of \$190,140.00, as it offers the best value to the City. The City is authorized to make this purchase through a cooperative purchasing program with another local government or cooperative organization, as permitted by Chapter 791 of the Texas Government Code and Section 271, Subchapter F of the Local Government Code. This approach meets the requirements for competitive bidding under state law.

Wylie Agreement #W2026-60/Buyboard Contract #731-24.
