

Wylie City Council

AGENDA REPORT

Department: Purchasing
Prepared By: Glenna Hayes

Account Code: 611-5711-58910

Subject

Consider, and act upon, the approval of the purchase of a Closed-Circuit Television (CCTV) security system from Schneider Electric Buildings Americas, Inc. in the amount of \$57,473.00 through a cooperative purchasing contract with Omnia Partners, and authorizing the City Manager to execute any necessary documents.

Recommendation

Motion to approve Item as presented.

Discussion

Staff recommends the upgrade of the existing security system at the Public Works building (949 Hensley Lane, Bldg. 300). The upgrade will include the purchase of 13 exterior and 2 interior bay area security cameras to support a closed-circuit television (CCTV) network. In addition, card readers will be installed on three exterior doorways and one interior double door (lobby). This upgrade will reduce the need to provide individuals with keys, as well as provide better security for inventory materials and the City's SCADA (Supervised Control and Data Acquisition) system which monitors and controls the water and wastewater stations. This project includes licensing and installation.

The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.

Omnia Partners #R170504 / Wylie W2021-94-I

Financial Summary/Strategic Goals

Budget: \$65,822.00.
Expenditure: \$57,473.00

The upgrade of the existing security system at the Public Works building supports the strategic goal of Health, Safety and Wellbeing.
