

Wylie City Council

AGENDA REPORT

Department: Purchasing
Prepared By: Glenna Hayes

Account Code: 461-5461-58850

Subject

Consider, and act upon, the approval of the purchase of a Bauer SCBA Fill Station from August Industries, Inc. in the estimated amount of \$48,876.55 through a BuyBoard Purchasing Cooperative contract and authorizing the Interim City Manager to execute any necessary documents.

Recommendation

Motion to approve Item as presented.

Discussion

An air compressor and self-contained breathing apparatus (SCBA) fill station will be used to fill and refill firefighter air bottles with environmentally safe filtered air. The system will be installed at Fire Station 4, and used for both live fires and training scenarios that require the use of an SCBA air pack. The system shall be a fixed-type system and provide the ability for rapid refilling of air bottles for all fires located in the Station 4 area.

Staff recommends the purchase of a Bauer SCBA fill station from August Industries, Inc. as providing the best overall value to the City. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.

BuyBoard Contract #603-20
Wylie #W2022-25-I

Financial Summary/Strategic Goals

This item meets the City's Infrastructure Goals.
