Discussion

Under the approved budget for Fiscal Year 2021-2022, departments have been authorized to purchase the following vehicles for a total estimated cost of \$71,300.00.

GoodBuy Cooperative Contract # 21-8F000:

- Public Works has been authorized to purchase a ¾-ton pickup for the Wastewater Dept. Purchase estimated at \$30,260.
- Fire Rescue has been authorized to purchase a ¾-ton pickup to replace Unit 448 due to unforeseen damages. Aftermarket equipment was removed for reuse, and the City received reimbursement in the amount of \$40,339.80. Purchase estimated at \$41,036.00.

Staff recommends the purchase of these vehicles through the referenced cooperative purchase agreement, as providing the best value to the City. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
