Discussion

OWNER: Wylie DPV, LP

APPLICANT: J. Volk Consulting

The applicant has submitted a Preliminary Plat for Dominion of Pleasant Valley Phase 6. Zoning for the single family development was approved by the City Council in October 2020 as Planned Development Ordinance 2020-54.

This plat is replacing a previously approved Dominion of Pleasant Valley Phase 6 preliminary plat. The reason for the change is to add the 15 residential lots and one open space lot located along Foxtrot Trail to this phase of development.

The plat consists of 168 residential lots, and three open space lots. The Planned Development allows for a maximum of 1,104 single family residential lots. Within Phase 1-6 of the Dominion of Pleasant Valley Development there are 888 residential lots leaving 216 residential lots that can be developed in future phases.

The plat dedicates the necessary rights-of-way and utility easements. Open space lots are to be dedicated to the City of Wylie and maintained by the H.O.A.

The plat is technically correct and abides by all aspects of the City of Wylie Subdivision Regulations. Approval is subject to additions and alterations as required by the City Engineering Department.

The Planning and Zoning Commission must provide a written statement of the reasons for conditional approval or disapproval to the applicant in accordance with Article 212, Section 212.0091 of the Texas Local Government Code.
