Discussion

The Parks and Recreation Department (PARD) is seeking approval from the City Council to award contract #W2025-80 for a custom shade structure over Pirate’s Cove Playground.

A new playground has been installed at Pirate’s Cove in Founders Park. It has some integrated shade elements but lacks large shaded areas. Excessive summer heat and direct sun discourage play and can damage playground equipment. Addressing these issues with a fabric shade structure can enhance the overall experience and safety of Pirate’s Cove Playground. Parks and Recreation wants to encourage the use of the playground, prioritize safety, and prolong the life of the equipment.

Staff recommends the award of contract #W2025-80 Custom Shade for Pirate’s Cove Playground to WEBUILDFUN in the estimated amount of \$182,247.00 as providing the best value to the City. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization under Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code, and by doing so, satisfies any State Law requiring local governments to seek competitive bids for items.
