## Recommendation

Motion to approve the Item as presented.

## Discussion

### OWNER: Wylie Independent School District

### APPLICANT: Surdukan Surveying

The applicant has submitted a Final Plat to create Lot 1, Block A of Kreymer Elementary School on 10.120 acres. The property is located at 1200 E Brown. The purpose of the Final Plat is to create one lot for the development of an elementary school for the Wylie Independent School District. The property is zoned Agricultural (AG/30) and allows for the use by right. The site plan and preliminary plat for the development were approved in May 2024.

The Final Plat document contains fire lane access and utility easements with driveway entrances from East Brown Street and Springdale Way. The fire lane width when adjacent to the main structure has been increased to 26' due to the proposed height of the school being 33'.

The drive aisle is configured in a manner that allows for vehicle stacking for school services and activities. The development shall be required to provide two deceleration lanes on East Brown Street, located at the driveway entrance and at the turn into Springdale Way.

The Plat is technically correct and abides by all aspects of the City of Wylie Subdivision Regulations. Approval is subject to additions and alterations as required by the City Engineering Department.

The City Council must provide a written statement of the reasons for conditional approval or disapproval to the applicant in accordance with Article 212, Section 212.0091 of the Texas Local Government Code.

The Planning and Zoning Commission voted 4-0 to recommend approval.
