Discussion

Code Enforcement is seeking approval from the City Council for the purchase of three Chevy Colorado trucks in an estimated amount of \$101,223.00. Two of these trucks will replace the current Code Enforcement trucks that are well past their lifespan, and the third truck will be allocated to the new Code Enforcement position that was approved in the FY2025 budget.

Utility Billing is seeking approval from the City Council for the purchase of one Chevy Silverado truck that was approved in the FY2025 budget in an estimated amount of \$46,259.00

The Parks and Recreation Department is seeking approval from the City Council for the purchase of one Chevy Silverado that was approved in the FY2025 budget in an estimated amount of \$53,984.00 to replace a previous vehicle for department operations.

The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code and, by doing so, satisfies any State Law requiring local governments to seek competitive bids for items.

The funds appropriated for these vehicles were approved in the most recent City budget. Staff recommends the purchase of these trucks for Code Enforcement, Utility Billing, and the Parks and Recreation Department through a cooperative purchasing agreement with BuyBoard as providing the best value to the City.
