### Discussion

In 2016, the City of Wylie and the Dallas Area Rapid Transit first entered into an agreement to provide a demand responsive transportation program within Collin County that is available to residents of the City who are 65 years of age or older or who have a disability. The DART Board approved to advance the Collin County Rides program through FY2023. However, the Board has voted to discontinue the program after this one-year extension.

The attached ILA for public transit service outlines the terms of the agreement, which include but not limited to:

- Available to residents of Collin County who are 65 years of age or older or who have a disability
- Users are required to pay a fare per trip and/or percentage share of the subsidy value
- Rides available between 5:00 am and 12:00 am Monday through Saturday
- Rides available between 7:00 am and 12:00 am Sundays and holidays
- The terms of the Agreement shall begin October 1, 2022 and terminate at midnight on September 30, 2023.
- Wylie shall assist in marketing and communications of services to residents.
- 125 projected program participants. (Exhibit A)

The Not to Exceed total for FY23 is \$48,207. If demand increases beyond the annual payment, City incurs the risk.
