Discussion

The Parks and Recreation Department is seeking approval from City Council to award a contract to RFL, a CorWorth Company, to construct and install new restroom/mechanical rooms at Community Park and East Meadow Trailhead.

This project will include the construction and installation of a new restroom facility for the splash pad and surrounding amenities at Community Park. The existing restroom facility will be removed and replaced with the same number of fixtures, and the orientation will be changed to face the new splash pad. The same restroom/mechanical room will be constructed and installed at East Meadow Trailhead for the future splash pad that will be installed in early summer 2024.

Staff recommends the award of contract W2024-01-I Community Park and East Meadow Restrooms to RFL, a CorWorth Company, in the amount of \$670,900.00 as providing the best value to the City. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
