

Wylie City Council

AGENDA REPORT

Department: Purchasing
Prepared By: Kirby Krol

Account Code: 100-5132-56040

Subject

Consider, and act upon, the recommendation to reject all bids for W2024-11-A for Janitorial Services.

Recommendation

Motion to approve the Item as presented.

Discussion

The City issued a formal Request for Proposals (“RFP”) through the electronic procurement platform and advertised the solicitation in the local newspaper in accordance with State law for Janitorial Services.

The RFP contained a variety of tasks for services customized to the requirements of each location. The RFP comprised a base bid, and included alternate items on an as needed basis where the quantities vary.

Any award considered through the solicitation was advertised as being subject to scoring criteria and budgeted funds.

Purchasing and the end-user departments completed a thorough evaluation with extensive due diligence in reviewing the proposals submitted, and have determined that moving forward with the procurement is not in the best interest of the City.

Staff recommends that the City of Wylie City Council reject all bids in accordance with Local Government Code 252.043.f.
