

# Wylie City Council

---

## AGENDA REPORT

Department: City Manager  
Prepared By: Chris Holsted

Account Code: \_\_\_\_\_

### Subject

Discuss the development of a Citizens Bond Advisory Committee.

### Recommendation

### Discussion

On February 25, 2020, a work session was held to discuss the makeup of a citizen's bond advisory committee. The direction received from Council was that each Council member would appoint two representatives, and to form the committee after the May 2020 election. The election was subsequently moved to November 2020.

The committee would need to be formed at the next meeting in March to allow sufficient time to develop a potential list of projects for a November bond election.
