### Discussion

The City of Lavon and representatives of property known as Boyd Farm have requested that the City of Wylie release Boyd Farm from the City of Wylie's Extraterritorial Jurisdiction (ETJ). The property is a single 40-acre lot located on State Highway 205 approximately ½ mile south of State Highway 78 as depicted in the Boundary Exhibit.

If approved for release from Wylie's ETJ, the City of Lavon intends to annex the property into its City limits at the request of the property owner.

For municipalities to exchange or amend ETJ boundaries, the Texas Local Government Code (LGC) requires both cities to sign a Boundary Agreement, with the agreement being approved by Ordinance by the releasing City. This item includes both the Boundary Agreement and the Ordinance authorizing the Mayor to execute the agreement.

City staff has reviewed the Agreement and the ETJ release and recommends approval. Annexation of this area by the City of Wylie would be challenging. The LGC requires annexed areas be provided City services within 2-½ years from the date of annexation. The property under consideration is not in Wylie's service area for water or sewer and is over 1.5 miles from Wylie City limits, making utility and solid waste service cumbersome and cost prohibitive.

Emergency services are currently provided by the City of Lavon, Collin County, and AMR. Approval of the release will require the City of Wylie to serve the property for ambulance services due to contractual obligations with the City of Lavon; however, Fire has stated that serving the area will not be an issue.

The City of Lavon has approved the Agreement.
