## AGENDA REPORT

Department: Parks  
Prepared By: Glenna Hayes

Account Code: 112-5614-58150

### Subject

Consider, and act upon, the approval of the purchase of playground equipment for Valentine Park from WeBuildFun, Inc. in the estimated amount of \$69,671.51 through a cooperative purchasing contract with Buy Board Cooperative Purchasing and authorizing the Interim City Manager to execute any necessary documents.

### Recommendation

Motion to approve Item as presented.

### Discussion

Valentine Park playground is one of the oldest in the parks system (equipment aged to the late 90s and early 2000s), and the equipment consists of a three-bay swing set and a few free-standing components. There are currently no modular structures, shades, or components broken down for age groups. Staff is proposing replacing the aging three bay swing set, with options to add toddler swings, an all-inclusive swing, and regular belt swings, as well as a larger structure, and ADA accessible components that would accommodate 2-12 year old's.

Staff recommends the approval of the purchase of a new playground from WeBuildFun Inc. in the amount of \$69,671.51 as providing the best overall value to the City through the use of an interlocal cooperative purchasing contract with Buy Board. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
