# Subject

Consider, and act upon, the approval of the purchase of Motorola Radio Equipment and Maintenance Services in the estimated annual amount of \$150,000.00 from Motorola Solutions, Inc. through a cooperative purchasing contract with H-GAC Buy and authorizing the Interim City Manager to execute any necessary documents.

#### Recommendation

Motion to approve Item as presented.

## Discussion

Wylie Fire Rescue and Police departments have standardized on Motorola radio equipment and maintenance throughout the City for emergency communications. These radios are on the public safety network, and can communicate with other department during network outages or emergencies. Purchases are to replace radios that have reached their end-of-life, and funding is within the Communications Department budget. The department anticipates purchasing approximately 15-20 units per year.

Public Works has budgeted to purchase two-way radios for communications during network outages, which will allow the department to communicate internally and with Dispatch.

Staff recommends the approval of the purchase of Motorola radio equipment and maintenance services in the estimated annual amount of \$150,000.00 as providing the best overall value to the City through the use of an interlocal cooperative purchasing contract with H-GAC Buy. Approval of this item will establish an annual agreement with renewals. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.

H-GAC Buy #RA05-21/ City of Wylie #W2020-43-I.

## Financial Summary/Strategic Goals

These purchases meet the City's strategic goals of Health, Safety and Well-Being.
