

Wylie City Council

AGENDA REPORT

Department: Library Account Code: _____
Prepared By: Ofilia Barrera

Subject

Consider, and act upon, approving the updated bylaws for the Library Advisory Board.

Recommendation

Motion to approve the Item as presented.

Discussion

The bylaws had not been updated since 2004 and changes needed to be made regarding meeting frequency, meeting location, the procedure for replacing a board member, and the timeline for swearing in. With the City Secretary's assistance, information on Addressing the Board (Article III) in accordance with Ordinance No. 2019-29 was added. The only other addition was Article VIII on Term Limits.
