Motion to approve Item as presented.

OWNER: 2819 West FM 544 Ventures, LLC

The applicant is requesting a Special Use Permit (SUP) on 1.022 acres generally located on the northeast corner of Springwell Parkway and FM 544 to allow for a restaurant with drive-through service. The proposed use is for a Dutch Bros Coffee restaurant. The preliminary plat for the development was recommended for approval by P&Z on June 15, 2021 with Council consideration on July 13, 2021.

The Zoning Ordinance requires all restaurants with drive-throughs to obtain a Special Use Permit. As part of the Special Use Permit the applicant is also requesting for the Zoning Exhibits to function as the review and approvals of the site plan.

The proposed Zoning Exhibit provides 22 parking spaces with one ADA space. 13 spaces are a grasscrete surface due to the site exceeding the maximum allowed parking, which is defined as 25% or more over the required minimum.

The site provides two points of access from Springwell Parkway and FM 544. The landscaped area totals 30% and contains a 10' landscape buffer, exceeding the required 20% for CC districts, and includes 5' wide sidewalks along both street frontages.

The structure is proposed to have an exterior that consists of metal panels and split face CMU. Canopies are also provided at the pick-up windows for both driving and walk-up customers.

Notifications/Responses: 18 notifications were mailed; with one response received in favor and no response in opposition of the request.
