**DEVELOPMENT AGREEMENT AMONG  
SKORBURG RETAIL CORPORATION AND THE CITY OF WYLIE, TEXAS**

This DEVELOPMENT AGREEMENT (“Agreement”) is made and entered into by and among the CITY OF WYLIE, TEXAS, a home-rule municipality (“Wylie”), and SKORBURG RETAIL CORPORATION, a Texas corporation (“Developer”). Wylie and Developer are each referred to herein as a “party” or collectively as the “parties.”

WHEREAS, Developer warrant that they are the sole owners of that certain tract of land situated in the City of Wylie, Collin County, Texas, consisting of approximately 59.75 acres situated in the William Patterson Survey, Abstract No. 716, generally located at 1755 FM 1378 & 2241 McMillen Road, Wylie, Texas 75098, and more particularly described in Exhibit A, attached hereto and incorporated herein for all purposes (the “Property”); and

WHEREAS, Developer seeks to develop a new single family residential development, Country Club Estates, under the Single Family – 10 District (SF 10/24) with a maximum number of residential lots not to exceed 181 lots on the Property; and

WHEREAS, Developer and Wylie agree that Wylie has adopted certain standards for building products and materials and aesthetic methods in the construction, renovation, maintenance and alteration of buildings in Wylie; and

WHEREAS, Developer desires to voluntarily consent to complying with Wylie’s standards for building products and materials and aesthetic methods, as referenced in Exhibit B, attached hereto and incorporated herein for all purposes (collectively, “Building Materials Standards”), in the construction, renovation, maintenance and alteration of all buildings currently existing and to be built in the future on the Property, regardless of whether the Property develops as Developer desires or intends or not; and

WHEREAS, Developer agrees to voluntarily construct, at Developer’s expense, additional improvements that are not required under Wylie’s Single Family – 10 District (SF 10/24), as referenced in Exhibit C, attached hereto and incorporated herein for all purposes (the “Additional Improvements”), in the construction of the development on the Property;

WHEREAS, Wylie hereby designates the Property for its historical, cultural or architectural importance and significance pursuant to Section 3000.002(d) of the Texas Government Code; and

WHEREAS, the parties agree that they enter into this Agreement pursuant to Section 3000.002(d) of the Texas Government Code with the full understanding and intent that Wylie will have the right, but not the obligation, to enforce the Building Materials Standards on the Property as of the Effective Date (hereinafter defined) of this Agreement; and

WHEREAS, the Wylie City Council has investigated and determined that it would be advantageous and beneficial to Wylie and its citizens to enter into this Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the covenants and conditions contained in this Agreement, Wylie and Developer agree as follows:

1. Incorporation of Recitals. The representations, covenants and recitations set forth in the forth in the foregoing recitals of this Agreement are true and correct, are incorporated into the body of this Agreement and are adopted as findings of Wylie and Developer.
2. Land Subject to Agreement. The land that is subject to this Agreement is the Property. Developer represents and warrant that Developer is the sole owner of the Property as of the Effective Date of this Agreement.
3. Building Materials Standards.
  - (a) In the construction, renovation, maintenance and alteration of any existing or future building on the Property, Developer shall not use or install, or permit the use or installation of, any building product or material or aesthetic method that does not comply with the Building Materials Standards, notwithstanding any conflicting provision of Chapter 3000 of the Texas Government Code, as it exists or may be amended. Developer voluntarily consents and agrees to comply with this Agreement and the Building Materials Standards in the construction, renovation, maintenance and alteration of any existing or future building on the Property.
  - (b) Before commencement of construction, renovation, maintenance or alteration of any existing or future building on the Property on or after the Effective Date of this Agreement, Developer shall impose deed restrictions on the Property, incorporating the requirements of this Agreement. As a condition of Wylie's issuance of any building permits on the Property, Developer shall submit to Wylie the proposed deed restrictions in compliance with this Agreement. The deed restrictions must be approved, in writing, by the Wylie City Planner. Wylie is entitled to withhold building permits on the Property (in addition to any other remedy available to Wylie) in the event that Developer has not obtained such written approval. Once approved, Developer shall record the approved deed restrictions in the Real Property Records of Collin County, Texas. The approved deed restrictions may not be amended, terminated or otherwise modified after Wylie's approval thereof without the prior written consent of the Wylie City Planner. Wylie shall be a third-party beneficiary of the approved deed restrictions, and Wylie shall have the right

but not the obligation to enforce this Agreement and the approved deed restrictions, as they exist or may be amended.

- (c) Wylie designates the Property for its historical, cultural or architectural importance and significance pursuant to Section 3000.002(d) of the Texas Government Code. Developer voluntarily consents and agrees to such designation. Developer voluntarily waives any rights or protections that may exist under Chapter 3000 of the Texas Government Code, as it exists or may be amended, with respect to any existing or future building on the Property, and further agrees that Wylie's right to enforce the Building Materials Standards arise from this Agreement and not from a rule, charter provision, ordinance, order, building code or other regulation of Wylie. Developer agrees that Wylie is entitled to amend, revise, supplement and otherwise modify the Building Materials Standards in Wylie's sole discretion.

4. Default.

- (a) If Developer fails to comply with any provision of this Agreement, and such failure is not cured within thirty (30) days after Wylie sends written notice of such failure to Developer, then Wylie shall have the following remedies, in addition to Wylie's other rights and remedies:
  - (i) to file this instrument in the Real Property Records of Collin County, Texas as a lien or encumbrance on the Property;
  - (ii) to refuse to accept any portion of any public improvements on the Property or associated with the development of the Property;
  - (iii) to refuse to issue building permits for any building on the Property;
  - (iv) to refuse to issue a Certificate of Occupancy for any building on the Property;
  - (v) to require Developer, another owner of the Property, or a portion thereof, and/or a contractor thereof to immediately cease the construction, renovation, maintenance and/or alteration of a building on the Property; and/or
  - (vi) to seek specific enforcement of this Agreement.
- (b) If Wylie fails to comply with the terms and conditions of this Agreement and such failure is not cured within thirty (30) days after Wylie receives written notice of such failure from Developer, then Developer may seek specific enforcement of this Agreement as Developer's sole and exclusive remedy.

5. Limitation of Liability. Notwithstanding anything to the contrary herein, the parties agree and acknowledge that Wylie shall not, under any circumstance, be required to tender, or be

liable to Developer for, any credit or reimbursement of, or payment of any monies, with regard to the matters set forth herein.

6. Covenant Running with the Land. This Agreement shall be a covenant running with the land and Property, and shall be binding on the Developer and their respective successors and assigns. Wylie shall cause this Agreement to be filed in the Real Property Records of Collin County, Texas. Developer represents and warrants that the filing of this Agreement as provided herein shall provide Wylie with a superior and priority encumbrance, lien or interest in, on and to the Property as to any and all other persons or entities. Developer represents and warrants that there are no liens, attachments or other encumbrances that prohibit or affect the right of Developer to grant such superior and priority encumbrance, lien or interest as described herein. If such a condition does exist, however, Developer shall obtain a signature with acknowledgment from the holder of such lien, attachment or encumbrance, subordinating any such lien, attachment or encumbrance to Developer's rights granted herein.
7. Limitations of Agreement. Wylie ordinances covering property taxes, utility rates, permit fees, inspection fees, tree mitigation fees, impact fees, development fees, tap fees, pro-rata fees and the like are not affected by this Agreement. Further, this Agreement does not waive or limit any of the obligations of Developer to Wylie under any ordinance, whether now existing or in the future arising.
8. Notices. Any notice provided or permitted to be given under this Agreement must be in writing and may be served by depositing same in the United States Mail, addressed to the Party to be notified, postage pre-paid and registered or certified with return receipt requested; by facsimile; by electronic mail, with documentation evidencing the addressee's receipt thereof; or by delivering the same in person to such Party a via hand-delivery service, or any courier service that provides a return receipt showing the date of actual delivery of same to the addressee thereof. EACH DEVELOPER SHALL RETAIN WYLIE-APPROVED DEFENSE COUNSEL WITHIN SEVEN (7) BUSINESS DAYS OF WYLIE’S WRITTEN NOTICE THAT WYLIE IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. LOC. GOV'T CODE § 271.153, as it exists or may be amended, if applicable.
13. Warranties/Representations. All warranties, representations and covenants made by one party to the other in this Agreement or in any certificate or other instrument delivered by one party to the other under this Agreement shall be considered to have been relied upon by the other party and will survive the satisfaction of any fees under this Agreement, regardless of any investigation made by either party.

19. Savings; Severability. In the event that a term, condition or provision of this Agreement is determined to be invalid, illegal, void, unenforceable or unlawful by a court of competent jurisdiction, then that term, condition or provision shall be deleted and the remainder of the Agreement shall remain in full force and effect as if such invalid, illegal, void, unenforceable or unlawful provision had never been contained in this Agreement.
20. Representations. Each party represents that it has carefully read this Agreement, knows the contents hereof, has consulted with an attorney of its choice regarding the meaning and effect hereof and is signing the same solely of its own judgment.
21. No Third Party Beneficiaries. Nothing in this Agreement shall be construed to create any right in any third party not a signatory to this Agreement, and the parties do not intend to create any third party beneficiaries by entering into this Agreement.
22. Assignment/Binding Effect.

  - (b) This Agreement shall be binding upon and inure to the benefit of Wylie and Developer.
23. Indemnification. The Parties agree that the Indemnity provisions set forth in Section 9 and Section 10 herein are conspicuous, and the parties have read and understood the same.

24. Waiver. Waiver by either party of any breach of this Agreement, or the failure of either party to enforce any of the provisions of this Agreement, at any time, shall not in any way affect, limit or waive such party's right thereafter to enforce and compel strict compliance.
25. Immunity. It is expressly understood and agreed that, in the execution and performance of this Agreement, Wylie has not waived, nor shall be deemed hereby to have waived, any defense or immunity, including governmental, sovereign and official immunity, that would otherwise be available to it against claims arising in the exercise of governmental powers and functions. By entering into this Agreement, the parties do not create any obligations, express or implied, other than those set forth herein.
26. Reference to Developer. When referring to "Developer" herein, this Agreement shall refer to and be binding upon Developer, and Developer's officers, directors, partners, employees, representatives, contractors, agents, successors, assignees (as authorized herein), vendors, grantees, trustees, legal representatives and any other third parties for whom Developer is legally responsible.
