**Account Code:** 100-5211-52130

### Subject

Consider, and act upon, the approval of the purchase of Motorola M500 in-car video systems (formerly WatchGuard) in the estimated annual amount of \$52,712 from Motorola Solutions, Inc. through a cooperative purchasing contract with Texas Department of Information and authorizing the City Manager to execute any necessary documents.

### Recommendation

Motion to approve the Item as presented.

### Discussion

The Wylie Police Department utilizes Motorola M500 (formerly WatchGuard) in-car video systems. The requested purchase of seven M500 in-car-video systems will replace end-of-life WatchGuard in-car-video systems in patrol vehicles scheduled to be built during the current 2025 budget year.

Staff recommends the approval of the purchase of Motorola M500 in-car-video systems in the estimated annual amount of \$52,712 as providing the best overall value to the City through the use of an interlocal cooperative purchasing contract with Texas Department of Information. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
