Dear Mayors Brooks, Bickerstaff, Porter, Bradley, Kuykendall, Winget, Pettle, and Sanson:

The North Central Texas Council of Governments (NCTCOG) is the Metropolitan Planning Organization for the Dallas-Fort Worth Metropolitan Area. The Regional Transportation Council (RTC), composed primarily of local elected officials, is the transportation policy body for the MPO. The RTC is responsible for direction and approval of the Metropolitan Transportation Plan, the Transportation Improvement Program, the Congestion Management Process, and the Unified Planning Work Program, and for satisfying and implementing federal and state laws and regulations pertaining to the regional transportation planning process.

Membership on the Regional Transportation Council is either by direct membership or group representation. Each seat on the Regional Transportation Council will be provided a primary member and permitted an alternate member. The Cities of Allen, Rowlett, Sachse, Wylie, Murphy, Lucas Parker and Lavon share a seat on the Regional Transportation Council. The RTC's Bylaws and Operating Procedures state that the person representing a group of several cities shall be selected by the mayors using a weighted vote of the maximum population or employment of the cities represented, and the person selected shall serve a two-year term beginning in July of even-numbered years and shall be serving on one of the governing bodies they represent. A table containing population and employment figures based on the demographic numbers from the last Bylaws revision is enclosed. The Bylaws further state that in the spirit of integrated transportation planning, all cities within a city-only cluster are eligible to hold the RTC membership seat for the cluster, and the cities should strongly consider rotation of the seat among the entities within the respective cluster. Items to consider when contemplating seat rotation may include: 1) a natural break in a member's government service, such as the conclusion of an elected term, 2) a member's potential to gain an officer position or advance through the officer ranks, 3) a member's strong performance and commitment to transportation planning, 4) the critical nature of a

particular issue or project and its impact on an entity within the cluster, or 5) the overall success of the RTC and its importance in the region.

An alternate member is the individual appointed to represent an entity or group of entities on the Regional Transportation Council in the absence of the primary member. The alternate member must be predetermined in advance of a meeting and will have voting rights in the absence of the primary member. An entity or group of entities may elect to appoint its alternate member(s) from a pool of eligible nominees. The same requirements apply to alternate members as to primary members. If a primary member is an elected official, then the alternate member must also be an elected official; if a primary member is a non-elected individual, then the alternate member can be either a non-elected individual or an elected official. A best practice for city-only clusters may be to appoint the alternate member from an eligible entity within the cluster that is not providing the primary member.

Your current primary representative is Matthew Porter, Mayor, City of Wylie. Your current alternate representative is Michael Schaeffer, Councilmember, City of Allen. You may choose to appoint a new primary representative and/or alternate representative. **All appointments, whether a reappointment or new appointment, must be received by June 30, 2026.** Per the RTC Bylaws, the new two-year terms begin in July. Please email (VPruitt-Jenkins@nctcog.org), mail (P.O. Box 5888, Arlington, TX 76005-5888), or fax (817/640-3028) your correspondence to Vercie Pruitt-Jenkins of NCTCOG. Please note that your designations must be confirmed in writing by all entities included in this group. Once the appointments have been determined by weighted vote, confirmation of the primary and/or alternate member(s) will be provided to your group.

In addition, the Regional Transportation Council has established an Ethics Policy in accordance with Section 472.034 of the Texas Transportation Code. This policy applies to both primary and alternate RTC members, whether elected or non-elected. All RTC members must also adhere to Chapter 171 of the Local Government Code and to the Code of Ethics from their respective local governments and public agencies. Please remind your representatives to be cognizant of these policies and codes.

Please contact Vercie Pruitt-Jenkins at VPruitt-Jenkins@nctcog.org or 817/608-2325 if you have any questions. We look forward to working with you.

Sincerely,

Rick Bailey, Chair
Regional Transportation Council
Commissioner, Johnson County
