Discussion

Article IV, Section 3c of the City of Wylie Charter states “the city council shall, in the absence or disability of the appointed judge of the municipal court, appoint an acting judge to serve during such absence or disability. The acting judge may be compensated by the city council for his performance of required duties.”

The appointment of the Associate Municipal Court Judge is for a two year term effective October 1, 2025 through September 30, 2027, and may be renewed for another two (2) year term. Compensation for services provided by the Associate Municipal Court Judge is a set monthly rate of \$3,000.00. Judge Feil works approximately 40 hours a month. He currently performs magistrates for the jail on a weekly rotation, presides over the open docket day and juvenile dockets once a month, fills in as backup for dockets, signs warrants, and other judicial services as needed. Judge Feil has served the City of Wylie for 4 years as the Associate Municipal Court Judge.

It is recommended that Judge Feil continue to provide service to the City as the City of Wylie Municipal Court Associate Judge.
