Subject

Consider, and act upon, the approval of the agreement for roof replacements in the estimated amount of \$72,765 from D&G Roofing through a cooperative purchasing contract with Choice Partners and authorizing the City Manager to execute any necessary documents.

Recommendation

Motion to approve the Item as presented.

Discussion

The Facilities Department is requesting approval to move forward with roof replacements at four City-owned locations. These replacements are necessary due to significant damage sustained during the storms in March 2025.

Insurance deemed the roofs damaged enough to merit replacement of the shingles on the affected buildings.

The affected buildings include:

1. Animal Shelter / 949 Hensley Lane
2. Fire Station 1 / 1401 S. Ballard
3. Fire Station 2 / 555 Country Club Rd.
4. Nortex Pump Station / 109 Towngate Dr.

Staff recommends the approval of the agreement to replace the roof in the estimated amount of \$72,765 as providing the best overall value to the City through the use of an interlocal cooperative purchasing contract with Choice Partners. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
