Discussion

The City Council approved the use of \$750,000 of the General Fund Balance in the fall of 2021 for facility improvements to the Wylie Senior Recreation Center. Based on the facility feasibility study performed by BRW Architects in 2018 and with the current needs of the facility based on staff input, a list of potential improvements has been compiled. Staff is seeking City Council direction on finalizing the list of improvements so a design agreement with BRW Architects can be completed. The list of improvements is prioritized from the highest needed items to the least needed. All of the costs presented as part of the projections are for planning purposes only, final costs will be determined once a final design is completed and the project is prepared for bidding.
