## AGENDA REPORT

<b>Department:</b>	<u>Purchasing (Fire) Department</u>	<b>Account Code:</b>	<u>100-5231-52130</u> <u>100-5231-52710</u> <u>100-5261-52710</u> <u>100-5231-54630</u>
<b>Prepared By:</b>	<u>Christopher Rodriguez</u>		

### Subject

Consider, and act upon, the approval of the purchase of Self Contain Breathing Apparatus (SCBA) from Dival Safety and Supplies in the estimated annual amount of \$69,900 through an interlocal purchasing agreement with the Collin County Governmental Purchasing Forum/City of Frisco, TX, and authorizing the City Manager to execute any necessary documents.

### Recommendation

Motion to approve the Item as presented.

### Discussion

SCBA or Self-Contained Breathing Apparatus is a critical piece of equipment for emergency response. They provide the first responder with clean air while working in smoky, or hazardous environments and are used in fires, hazardous materials incidents, Carbon Monoxide alarms, Confined Space rescues, and many more.

This annual purchase agreement of four (4) self-contained breathing apparatus (SCBA), eight air bottles, and annual SCBA maintenance, testing, and repairs in the estimated amount of \$69,900. This annual purchase amount also includes specialized rescue personal protective equipment distributed by Dival Safety and Supplies. This purchase is being accomplished utilizing the City of Frisco's contact pricing #2401-059.

This amount is within the annual approved FY24-25 budget amount but exceeds \$50,000. Due to the high cost of an air pack the department has a rotation program where each year we purchase four new air packs and associated replacement equipment. The oldest equipment, typically 15+ years old, is rotated to reserve, or auction status. Additionally, this amount includes annual required testing and maintenance of all departmental air packs that must meet strict state and national regulatory requirements.

Staff recommends the award of an annual contract for air packs and associated maintenance and testing services with Dival Safety and Supplies in the estimated amount of \$69,900.00 through a cooperative purchasing contract through the City of Frisco.

The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
