Recommendation

Motion to approve the Item as presented.

Discussion

The Parks and Recreation Department (PARD) is seeking approval from the City Council to award contract #W2025-33 for the installation of twelve solar light poles at Prairie Tails Dog Park located at the Municipal Complex.

The Prairie Tails lighting project requires installing light poles to enhance safety, ensure proper lighting, and extend usability for guests and their pets while meeting City design standards. The selected location lacks sufficient lighting, and the proposed purchase will address these needs. This project includes twelve EverGen V2 solar lights with poles and assembly hardware, drilling, placement, electrical assembly, and installation.

Staff recommends the award of contract #W2025-33 to SDB Contracting Services in the estimated amount of \$117,709.69 as providing the best value to the City. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization under Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code, and by doing so, satisfies any State Law requiring local governments to seek competitive bids for items.
