### Subject

### Recommendation

### Discussion

Code Enforcement is seeking approval from the City Council for the purchase of three (3) Chevy Colorado trucks in an estimated amount of \$98,189.21. Two of these trucks will replace the current Code Enforcement trucks that are well past their lifespan, and the third truck will be allocated to the new Code Enforcement position that was approved in the FY2025 budget.

Council previously approved the purchase of these trucks from Caldwell County Chevrolet on October 8, 2024; however, once the purchase order was issued, the trucks the vendor quoted the City were no longer in stock. Therefore, this action is for the purchase of these trucks through the same cooperative organization (BuyBoard), but from a different vendor (Sam Packs Five Star Chevrolet).

The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code and, by doing so, satisfies any State Law requiring local governments to seek competitive bids for items.

Staff recommends the purchase of these trucks for Code Enforcement through a cooperative purchasing agreement with BuyBoard as providing the best value to the City.
