Discussion

Wylie Fire Rescue (“WFR”) is planning to purchase a Ford F450 4x2 Horton Emergence Vehicle, Type I, Ambulance Model 623. Funding for this acquisition was approved as a capital line item within the General Fund used to cover large, one-time purchases such as vehicles within the FY2023-FY2024 budget adopted on August 22, 2023.

In addition to providing ambulance service to the citizens of Wylie through the WFR, the City also contracts with Paramedics Logistics for backup ambulance support using two (2) fire department staffed ambulances. The contract between Paramedics Logistics and Southeast Collin County E.M.S. Coalition funds two (2) full-time ambulances in the contract. The City is preparing an EMS service this year to replace the Paramedic Logistic contract in FY2025. This transition includes the staffing a third ambulance in FY2024.

Staff recommends the purchase of an ambulance from Southern Emergency and Rescue Vehicle Sales (SERVS), in the estimated amount of \$467,344.00 through a cooperative purchasing contract with Houston-Galveston Area Council (HGAC). The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
