

Wylie City Council

AGENDA REPORT

Department: Public Works
Prepared By: Purchasing

Account Code: 100-5411-54250

Subject

Consider, and act upon, the approval of the purchase of school zone flasher assemblies from Paradigm Traffic Systems, in the estimated amount of \$89,250.00 through a cooperative purchasing contract with BuyBoard, and authorizing the City Manager to execute any and all necessary documents.

Recommendation

Motion to approve the Item as presented.

Discussion

The purpose of this request is to update 15 school zone flashing assemblies due to outdated, unreliable equipment. In addition, the vendor has started outsourcing the maintenance of computer programming to a third party. This has made it difficult to have issues corrected in a timely manner. This is a phased-in approach to eventually replace all 90-school zone flashing light assemblies.

Staff recommends the purchase of school zone flasher assemblies from Paradigm Traffic Systems, in the estimated amount of \$89,250.00. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
