Discussion

The City received its renewal from CIGNA for the 2026-2027 plan year. For the medical plan, the overall rate increased by 12%. For the dental plan, the overall rate increased by 7.5%. For the medical plan, the City has retained the previous year's PPO and HDHP/HSA plan options.

Staff recommends approval of Modification No. 5 to Wylie agreement #W2021-76-A with Cigna Health and Life Insurance Company which will increase the overall annual expenses by approximately \$645,131.00 as providing the best overall value to the City. This modification is the last renewal for employee medical, dental and Rx benefits.
