

Wylie City Council

AGENDA REPORT

Department: Purchasing Department
Prepared By: Kevin Mack

Account Code: 100-5411-54250

Subject

Consider, and act upon, the approval of the purchase of three (3) Advanced Transportation Controller Traffic Cabinets and Hardware from Consolidated Traffic in the estimated amount of \$94,353.00 through a cooperative purchasing contract with Houston-Galveston Area Council (HGAC) and authorizing the City Manager to execute any and all necessary documents.

Recommendation

Motion to approve the Item as presented.

Discussion

Public Works (Signals & Signs) is planning to purchase three Advanced Transportation Controller Traffic Cabinets. Within the last year there have been three major accidents on State Highway 78 causing the City to have emergency signal cabinet replacement.

The ATC Cabinet is built to meet the ATC 5301 VO2 Advanced Transportation Controller Cabinet Standard. Each ATC Cabinet is designed to provide safer, smarter, and greener intersections. The ATCC uses high-speed serial communications, providing modern features, advanced diagnostics, enhanced safety, simplified traffic control cabinet wiring, and reduced traffic control cabinet size.

Staff recommends the purchase of three Advanced Transportation Controller Traffic Cabinets and Hardware in the estimated amount of \$94,353.00 through a cooperative purchasing contract with Houston-Galveston Area Council (HGAC) through Consolidated Traffic. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.

(Wylie Agreement No. 2024-51-I / HGAC Contract No. PE-05-21)
