### Discussion

The City Charter in Article VII, Municipal Finance, Section 13: Independent Audit, requires that at the end of the fiscal year an independent audit be made of all accounts of the City by a certified public accountant. In compliance with the City Charter, our outside auditor, Weaver, LLP has performed an audit as of September 30, 2023.

The goal of the audit is to provide reasonable assurance that the financial statements of the City are free of material misstatement. This is achieved through testing of accounting controls, internal controls, and compliance. There is also testing of significant accounting balances using a combination of vouching material transactions, sampling transactions and applying analytical procedures.

Interim Fieldwork for the audit began the week of August 28 and the final fieldwork was performed November 13 through December 8.

This is the fourth year for the audit to be performed by Weaver after their selection to continue as the City's independent auditors following an RFP process completed in 2020. The 2023 audit is the sixteenth year for Weaver to perform our audit. Three RFP processes have been completed in that 16 year time period. In accordance with Financial Management Policies, audit partners have been rotated and audit managers and staff have changed frequently. This year's audit was completed with a second year manager and staff.

Staff recommends acceptance of the Annual Comprehensive Financial Report (ACFR) as presented.
