Discussion

On January 9, 2023 City Council approved the writing of an ordinance for a change in zoning from Multi-Family (MF) to Commercial Corridor - Special Use Permit (CC-SUP) on 0.198 acres to allow for an office use within a residential structure. Property located at 100 S. 3rd Street (ZC 2023-14).

The approval of the writing of the Ordinance included the requirement for a 6-8' board-on-board wooden fence to be constructed along the south side of the property. That requirement has been added to the SUP Conditions (III.4) and the Zoning Exhibit.

Final approval of Zoning Case 2023-14 requires the adoption of the Ordinance to amend the zoning accordingly in the Official Zoning map of the City; and providing a penalty clause, a repeal clause, a savings clause, a severability clause, and an effective date.

The subject ordinance allows for the rezoning. Exhibit A (Legal Description), Exhibit B (Zoning Exhibit), and Exhibit C (SUP Conditions) are included and made a part of this Ordinance.

The above described property shall be used only in the manner and for the purposes provided for in the Comprehensive Zoning Ordinance of the City, as amended herein by the granting of this zoning classification.
