Discussion

OWNER: Bloomfield Homes

APPLICANT: Westwood

The applicant has submitted a final plat to create 144 residential lots and one open space lot for the development of residential single-family homes and a park. This subject property is part of the overall 70 acres of the Kreymer East development approved in June 2016 as Planned Development District (PD 2015-23). The preliminary plat for this site was approved in August of 2020.

The PD allows for a maximum of 245 lots with a minimum lot size of 8,500 square feet for the entire 70-acre development. The combined residential lots of Phase 1 and 2 are 230 lots. There are no additional planned phases within this 70-acre planned development.

The final plat is compliant with the preliminary plat and shall dedicate necessary rights-of-way, and utility easements.

The plat is technically correct and abides by all aspects of the City of Wylie Subdivision Regulations. Approval is subject to additions and alterations as required by the City Engineering Department.

For conditional approval or disapproval City Council must provide a written statement of the reasons to the applicant in accordance with Article 212, Section 212.0091 of the Texas Local Gov't Code.

P&Z Commission Discussion

After some discussion regarding the clearing of vegetation in Rush Creek during development the Commission voted 6-1 to recommend approval.
