Discussion

In November 2021, the Newport Harbor Pump Station 1.5 MG Storage Tank which sustained exterior damages to the decorative stucco finish from high winds and rainstorms. The 1.5 MG Ground Storage Tank requires inspections, exterior rehabilitation repairs and painting which include removing the existing Exterior Insulation Finishing System (EIFS) arches and pilasters.

Staff completed a competitive sealed bid process and received two qualified bids, with the intent to award to the lowest responsive responsible bidder. Staff began the review process with the low bidder, DN Tanks LLC, reviewing their solution, references and pricing and determined the bid provided the best overall value to the City.

Staff recommends the award of Wylie bid #W2022-133-B for the Newport Harbor Water Tank Rehabilitation to DN Tanks, LLC in the amount of \$139,980.00 as providing the best value to the City.
