

Wylie City Council

AGENDA REPORT

Department: Purchasing
Prepared By: Glenna Hayes

Account Code: 112-5614-58150

Subject

Consider, and act upon, the purchase of a Bondflex® Pour In Place Surfacing for Olde City Park from WeBuildFun Inc. in the amount of \$159,600.00; and authorizing the City Manager to execute any necessary documents.

Recommendation

Motion to approve the Item as presented.

Discussion

Parks and Recreation Department staff are requesting to replace the engineered wood fibers at the Olde City Park playground with a poured in place rubber surfacing. The benefits to this type of surfacing apply to safety, improved accessibility and inclusion, and provides a more aesthetic playground. Smooth surfaces also help to keep playground tumbles from becoming serious injuries. In addition, staff time can be reduced due to the minimal maintenance required to service heavy wear areas. These areas are normally found around slides, swings, and turning equipment. Overall, adding this surfacing brings Olde City Park playground one step closer to becoming an all-inclusive playground.

Staff recommends the purchase of materials and installation services from WeBuildFun through the use of a cooperative purchasing contract with BuyBoard as providing the best overall value for the City. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.

Wylie Agreement #W2023-25-I / BuyBoard Cooperative #679-22
