

Wylie City Council

AGENDA REPORT

Department: Purchasing
Prepared By: Glenna Hayes

Account Code: 100-5251-58910

Subject

Consider, and act upon, the approval of the purchase of Security System Upgrade from Schneider Electric in the amount of \$57,180.08 through a cooperative purchasing contract with OMNIA Partners Cooperative (#220703), and authorizing the City Manager to execute any necessary documents.

Recommendation

Motion to approve Item as presented.

Discussion

This item was submitted in previous budget years, and was approved for the 2023 budget. Card access will add security measures to all buildings preventing unauthorized persons from entering areas without staff. The added security will prevent injury and cross-contamination of animals and staff, and maintain proper confidentiality of case information. Examples of these areas include staff workstations, state rabies quarantine areas, the separated building of housed animals, and the room containing controlled substances.

Staff obtained a quote from the City's current security provider, Schneider Electric, through the OMNIA Partners Cooperative. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.

OMNIA Contract #220703; Wylie #W2023-59-I
