### Discussion

The Parks and Recreation Department is seeking approval from City Council to award a contract to SDB Contracting Services Inc. to install electrical to the restroom/mechanical room, install security light, and installation of a fabric shade structure.

This project will include running electrical to the restroom/mechanical room and adding a security light at the splash pad. The security light will be powered and not solar lighting. In addition, SDB Contracting Services will be installing a fabric shade structure to the splash pad.

Staff recommends the award of W2023-119-I Electrical Installation and Fabric Shade Structure for Community Park Splash Pad to SDB Contracting Services Inc. in the amount of \$143,686.55 as providing the best value to the City. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
